Sir :

This letter is to confirm that the mailing date to the Amendment in response to the first Office Action dated September 26, 2003, setting a three (3) month shortened statutory period for reply was responded to in a timely fashion. Although the death line was December 26, 2003, and this date was declared a federal holiday which included patent office employees, the applicant respectfully did all that was necessary to submit the Amended response in time set for the response to be submitted. I here now attach a copy of the Post Office receipt for verification and confirmation. Please adjust and amend the application as required:
